Free Worksheet 2 - Explained Answers

නොමිලේ වැඩපත්‍රය 2 - පැහැදිලි කළ පිළිතුරු

Attempt the separate worksheet first. An adult may read these models; let the child point, act or answer aloud.

මුලින් වැඩපත්‍රය කරන්න; පසුව වැඩිහිටියෙකු සමඟ පිළිතුරු බලා නැවත කියා හෝ පෙන්වා පුහුණු වන්න.

1. drinks

She is one person. For a usual action, use drinks with she: She drinks water. With I or they, use drink.

Gentle repair: She drink water becomes She drinks water. Try: They drink water.

She සමඟ drinks යොදන්න.

2. are

Use are with we before sharing: We are sharing food. Is belongs with he, she or it.

Try with two friends: They are sharing food. With one child: She is sharing food.

We සමඟ are යොදන්න.

3. sunny

Sunny describes the weather when there is sunshine. Pencil names an object, so it is not a weather word.

Point outside or use a picture. Say sunny or rainy to match what you see.

Sunny කාලගුණය කියයි.

4. not

The pattern for a negative preference is I do not like ... . No does not fit after do here.

Gentle repair: I do no like swimming becomes I do not like swimming. I don't like swimming is also correct.

අකමැත්තට not යොදන්න.

5. library

A library is a place with books for reading or borrowing. A bakery makes or sells bread and similar food.

Try again: Where can we get bread? At a bakery. Then ask where we can borrow books.

Library යනු පුස්තකාලයයි.

Pause when needed. Praise the attempt, model one correction, and try it again later. This EWS enrichment sheet is not an official school examination.

Free Worksheet 2 - Explained Answers

නොමිලේ වැඩපත්‍රය 2 - පැහැදිලි කළ පිළිතුරු

Attempt the separate worksheet first. An adult may read these models; let the child point, act or answer aloud.

මුලින් වැඩපත්‍රය කරන්න; පසුව වැඩිහිටියෙකු සමඟ පිළිතුරු බලා නැවත කියා හෝ පෙන්වා පුහුණු වන්න.

6. fourteen

Fourteen means 14; forty means 40. They are different numbers. Count 10 objects and then four more to show fourteen.

Ask the child to say thirteen, fourteen, fifteen. Do not mark an accent as a wrong number if the intended number is clear.

දහහතරයි.

7. o'clock

Use o'clock after an hour with no extra minutes: It is eight o'clock for 8:00. It does not name the hour by itself.

Use a drawn clock. Show 9:00 and model: It is nine o'clock.

හරියට අටයි.

8. Ravi.

The text says Mala likes dancing and Ravi likes painting. Who asks for the person. Painting is the activity, not the person.

A full sentence is also correct: Ravi likes painting. Ask next: Who likes dancing? Mala.

චිත්‍ර අඳින්නේ රවියි.

9. I wash my hands. Accept another suitable response.

Washing hands before eating is a suitable hygiene habit. Accept another sensible, safe response that answers before eating.

Model one correction if needed: I washes my hands becomes I wash my hands. Then let the child try again.

මුලින් අත් සෝදන්න.

10. I like painting. I paint flowers. Accept other accurate personal answers.

The first sentence names the hobby; the second gives a connected detail. Accept a different hobby and two accurate linked sentences.

Another model: I like dancing. I dance with my sister. Gentle repair: I am like painting becomes I like painting.

විනෝදාංශය ගැන වාක්‍ය දෙකක් කියන්න.

Pause when needed. Praise the attempt, model one correction, and try it again later. This EWS enrichment sheet is not an official school examination.
