> Check the meaning and the grammar. Models are examples; accept other accurate answers where the task is open.

1. is spoken

The language receives the action, so use present simple passive.

2. were

Parcels is plural and yesterday requires past simple: were delivered.

3. be

A will-passive uses will be + past participle.

4. being built

Present continuous passive uses is/are being + past participle.

5. been

Present perfect passive uses have/has been + past participle.

6. Lunch is being prepared by the chef.

Preserve the present continuous using is being prepared.

7. The boy broke the window.

Make the agent the subject and preserve past simple.

8. The bus arrived at noon.

Arrive has no direct object here and does not form this passive.

9. Model: The board is cleaned after each lesson.

Accept a meaningful present simple passive with subject agreement.

10. A helmet must be worn.

Modal passive: must + be + past participle. Worn is the participle of wear.
