> Check the meaning and the grammar. Models are examples; accept other accurate answers where the task is open.

1. has lived

Present perfect connects a past starting point to the present.

2. were watching

Past continuous describes an action in progress at a specified past time.

3. will have finished

Future perfect looks back on a completed action from a future point.

4. will be travelling

Future continuous describes an action in progress at a future time. Also accept traveling.

5. had been studying

This form shows the duration of an activity before a past event.

6. He does not play cricket on Sundays.

Use does not + base verb. Doesn't is also correct.

7. Has she finished the work?

Move has before the subject and keep the participle finished.

8. Yesterday I went to school.

A completed, specified past time normally takes past simple.

9. Model: I read English every evening.

Use present simple for a routine; accept another meaningful example.

10. Model: I have been learning English for three months.

Use present perfect continuous and a context that continues to the present.
