Page 2: Check before you travel

1. Just to confirm, the discussion starts at a quarter past six in the evening. Which entrance should I use after six?
Check 6.15 accurately and ask a specific information question.
2. Could you tell me whether I need to reserve a place for my first visit?
Accept an equally clear, polite question.
3. Thank you. I have noted 6.15 p.m. in Room 3. Could you confirm which entrance will be open and whether I should book before attending?
The source does not supply the missing answers; the learner should request them rather than invent them.
